Smart Home

PACKAGE

Getting Started with Google

Here is what you need

A Google speaker or Nest display

Latest version of the Google Home App

Latest version of the Google Assistant App

A Google account

Bluetooth enabled on the above device

A mobile phone or tablet with Operating System iOS 11.0 or Higher for Apple Devices or Android 5 or higher for Android Devices

Follow these Instructions

- 1 ENSURE YOU ARE CONNECTED TO WI-FI**
(Connect to the wifi you want your smart home to be on)
- 2** Make sure your new smart-devices are powered on
- 3** Download the Google Home app. (On either iOS or Android)
- 4** With Bluetooth enabled, open the Google Home application.
- 5** The app should detect your new smart devices, but if not follow the below steps:
Tap **Add** (+)
Then Tap **Set up device** (+)
- 6** Follow the remaining instructions on-screen to set up the devices in your home.
